Happy Fall!!!

We are hosting a Blood Drive here in the Pavilion on Monday, December 10th – more info to follow – Please mark your calendars.

The 2019 Directory will be ready soon. I will inform everyone when it is ready and this year, in an effort to save postage costs, we are not going to mail them. We will be asking you to pick up at office when you can. If you don't live here full time, I will mail. If for any other reason you cannot pick up, I will mail. We also have and need more volunteers to deliver directories to those who cannot make it down here. I will inform when ready.

If residents of Locust Road ever need to call police or ambulance (and we hope not) please be sure to tell them that you are at VAIL'S GROVE. This is especially important in Southeast.

Enclosed in this mailing is your third quarter invoice. Payment is due IN the office by October 31. On November 1st, finance charges will be applied. This payment covers October, November and December.

Our Annual meeting was held on Sunday, September 16th. Thank you for all who attended or sent in your proxy. Tom Duffy, Juliann Salerno and Joan Myers have been re-elected to the Board. Dawn DiDomenico, Jack Waltzer and Ron Sarno have been elected as new members of the Board. Congratulations to all. We now have a full Board of

13 members, who are all volunteers. The Grove would not be able to "work" without these volunteers.

If you have any concerns or questions, always call the office. I am here to answer any and all questions. It's October and that means I am beginning my 13th year working here. It's a pleasure to come to this beautiful place during each and every season!

WE NEED VOLUNTEERS TO GET CERTIFIED TO BE PUMPHOUSE OPERATORS. CLASSES ARE AT WCC AND THE GROVE PAYS ALL COSTS. Please consider doing this as a volunteer. Thank you!!

ALL ABOUT BOATS

A Note from Jay Moore

Boat Owners on Co-op docks please remove your boats off all Coop docks by November 1st as well as all personal belongings as the Co-op will not be responsible.

The winter boat storage area is ready. If you have not registered before, please register and sticker your boat and trailer through the office. Thank you

**Boat Ramp and North End Storage
From Patrick McGuiness**

Here we are again, approaching a close to another summer on Peach Lake.

Time to park our vessels for the upcoming cold months. Please call in advance of requesting keys for the boat ramp and north end. Contact info for all who have keys is available at the Vails Grove office. Patience, communication and cooperation (as always) is appreciated in advance.

Only one particular item to address. One Vails Grove resident took the time to weed wack and clear the area where his vessel was parked in the North End. After venturing back a few days later, they found that their vessel was moved by someone else (not by Jay our maintenance man) and placed in another part of the lot where the area was not cleared and replaced by someone else's trailer. Please be advised that no one other than the owner of a trailer or Jay Moore may be allowed to move that trailer for any reason. Jay ensures there is enough room for all who wish to store at the North End. If you bring your vessel down and find you have trouble locating a spot, please inform the office so that Jay can be notified and he can work it out for you. Please provide the number of the tag that is on your particular trailer that you would like to have placed and it will be taken care of by Jay only if you are having trouble. (Obviously

this is assuming there is space available which doesn't seem to have been an issue). Although I haven't heard of this happening before it cannot happen again for liability reasons but also out of respect for your fellow neighbor's property – not to mention if someone takes time to clear the area. Once again, if available space is an issue, please inform the office accordingly and the communication will be dispersed and dealt with in a timely fashion.

My anticipation is that the storing of all vehicles at the North End will go as smoothly as it has in the past. Of course, as always, please remember to lock all fences when you are finished moving your vehicles.

Until the next VOICE, thanks and enjoy the cooler days ahead.

Veterans Monument Info from Jack Waltzer

We are right on the edge of having all we need for the memorial stone. Donations to the fund would still be welcome and that any amount no matter how much, would be appreciated. There is a "jar" in the VG Office; coins accepted. Thank You
